Re: Green Apple Supermarket of Jamaica, Inc.
Cases 29-CA-183238, 29-CA-188130

Dear Mr. Yan:

This letter acknowledges receipt of Respondent's request for extension of time *nunc pro tunc* to file exceptions to the Administrative Law Judge's decision.

Pursuant to the issuance of Judge Chu's October 19, 2017 decision, an Order Transferring Proceedings to the National Labor Relations Board issued noting that exceptions in this matter were due on November 16. On November 1, Judge Chu issued an extensive errata of his October 19th decision; the due date for the filing of exceptions remained unchanged. In light of the extensive nature of the errata, however, a new exceptions due date should have been provided for at the time that the errata issued. Accordingly, the new due date for the exceptions to the judge's decision is November 29, 2017.

The Respondent now requests an extension of time to December 1 to file exceptions and a supporting brief to the judge's decision. That request is **granted**. The due date for filing exceptions and supporting briefs to the Administrative Law Judge's decision is extended to **Friday, December 1, 2017**. This extension of time to file exceptions and supporting briefs applies to all parties.

I apologize for any inconvenience that this may have caused the parties.

Very truly yours,

/s/ Farah Z. Qureshi
